Style Statement

ProPanels divide and organize private work areas, yet still allow opportunity for discussion and collaboration. Customization is a cinch with numerous size and layout options. Manage the open office environment with ProPanels.

Features & Benefits

- Durable extruded frames trimmed with fabric covered panels
- Panel interiors have a rigid engineered wood frame with a combination of hardboard/corrugated interiors
- Includes straight-line connection hardware to mount to similar height panel and adjustable levelers
- A post is required when connecting panels in L, T or X configurations. Posts are included in applicable connector kits
- 3/4inch space under panel to floor with levelers fully inserted
- Non tackable and non powered
- Meets ANSI/BIFMA standards for safety and performance
- Commercial quality backed by 10 year warranty

Short Product Name

BBF ProPanels - 42H x 36W Panel

Long Product Name

BBF ProPanels - 42H x 36W Panel in Harvest Tan

Short Product Description

BBF ProPanels Harvest Tan fabric-covered 42H x 36W Panel is designed to help maintain personal space in settings with multiple workstations. The durable Taupe finished extruded frame is trimmed with a fabric-covered panel, constructed with a rigid engineered wood frame and provides a combination of a hardboard/corrugated interior for structural strength. All panels include straight-line connection hardware to mount to similar height panel. There is a 3/4 space under each panel to floor with our preinstalled, inserted leveling glides that adjust stability on uneven floors. ProPanels divide and organize private work areas, yet still allow an opportunity for discussion and collaboration. All ProPanel components meet ANSI/BIFMA standards for safety and performance in place at time of manufacture. Enjoy commercial quality privacy panels backed by BBF 10 Year Warranty.

Long Product Description

BBF ProPanels Harvest Tan fabric-covered 42H x 36W Panel is designed to help maintain personal space in settings with multiple workstations. The durable Taupe finished extruded frame is trimmed with a fabric-covered panel, constructed with a rigid engineered wood frame and provides a combination of a hardboard/corrugated interior for structural strength. All panels include straight-line connection hardware to mount to similar height panel. There is a 3/4 space under each panel to floor with our preinstalled, inserted leveling glides that adjust stability on uneven floors. When connecting panels in L, T or X configurations, a post is required and is included in our separate connector kits, giving you the option to create a variety of configurations. ProPanels divide and organize private work areas, yet still allow an opportunity for discussion and collaboration. Customization is a cinch with numerous size and layout options. All ProPanel components meet ANSI/BIFMA standards for safety and performance in place at time of manufacture. Manage the open office environment with ProPanels.
