

Bush Furniture Fact Sheet Las Vegas Market 2010

About Bush Furniture:

Bush Furniture is the Living Division of Bush Industries, Inc. and is focused on providing affordable furnishing solutions for the home with a focus on the entertainment and small office/home office (SOHO) categories.

STABILIBAR™:

StabiliBar is the latest new product introduction from Bush Furniture and is the furniture industry's first TV safety brace as an add-on accessory. StabiliBar was designed to help reduce the risk of flat-panel TV tipping accidents. StabiliBar is simple to assemble and install. The product is manufactured for easy installation directly to a wall or a Bush Furniture compatible TV stand. StabiliBar can be used with flat-panel televisions 37 inches to 60 inches in size and allows the TV to pivot right and left for the optimal viewing angle. The suggested retail price is \$24.99.

my|space®:

my|space® by Bush Furniture is a unique line of furniture designed for those who want attractive furnishings, but may be challenged by smaller living spaces and budgets. Without sacrificing quality, the collection offers eye-catching styles that will appeal to everyone from the trendy loft-dweller to the cost-conscious homemaker. Bush Furniture will unveil five new products in the my|space® collection at the Las Vegas Market 2010. They include:

- **Lakewood** – This unique wall-hanging work center eliminates the need for a traditional desk. Lakewood has a flip-down work surface designed for a full-size laptop, as well as four convenient bays to store and power additional electronic devices. A corkboard and whiteboard are included for photos, to-do lists and reminders. MSRP: \$129.99
- **Wheaton** – This reversible corner desk can be customized for a right-handed or left-handed workstation. Wheaton is designed for homes where space is a premium and comes with a convenient printer shelf, file drawer and work trays to keep organized and clutter-free. MSRP: \$179.99
- **Delancey** – This compact metal and glass work center is ideal for small apartments and dorm rooms. Its spacious tempered glass surface is sturdy and stylish. Delancey comes equipped with three fixed metal shelves to store books and electronic devices. MSRP: \$129.99
- **Fulton** – Perfect for watching the big game with friends, this sturdy TV stand has a top that swivels 15 degrees left and right for convenient viewing. Fulton accommodates flat-panel TVs up to 42 inches and 100 pounds and is designed with mixed-material construction. The glass top shelves keep peripheral components and their wires organized and tucked away. MSRP: \$129.99
